***Shipping Charges:** Determine total quantity of order and ship to one zip code and single address to save shipping charges. Shipping can be estimated when verifying printing quotation. (Approx. 9-10% of total sign production cost)

Design & Set Up Charges: Minimum flat charge set up fee if all candidates are same style sign design (1-8 candidates – if more candidates, contact us for price): \$250.00

Add \$25 per style per candidate if different designs are required

For single sign designs (one candidate): Flat fee charge set up fee: \$100.00

NOTE: If sign order is combined with other campaign products these fees may be included in the one-time flat fee charge for the entire project – contact us for more information on cost savings by having us do an entire campaign project.
