TBPA Member Monitor

Opening the lines of Communication

Finally, a way for you to find out what your TBPA is doing. You have in your hands the Premiere Issue of our quarterly newsletter. Here you can read how your dues are being invested "to promote

the business and residential qualities of our historic village".

Communication is a two way street. We want and need your input to do our job right. Remember, if you don't

tell us what you think, you've got no right to complain. For more information on this newsletter, contact Dick Wambach 758-3117 or email wambach@ulster.net.

New Directory to be bigger and better

Every couple of years, the TBPA publishes its directory of members and this year some special features are being planned.

A walking map will show the location of historic sites in the Village, as well as the location of our churches and non-profit facilities.

And circulation of the Directory will be wider than ever throughout the region, at tourist kiosks, member stores, libraries, and many

other locations. Let us know if you think we've missed an important placement and we'll make sure the new Directories are delivered.

Publication and distribution of the TBPA Directory is probably one of our most important activities, but remember, only fully paid-up members appear in the Directory. Make sure your dues are in before the closing date and that we have the correct

information on your location, hours, phone number and services.

For more information on the Directory, contact Bob Zises.

Street painting a smash hit

Who would have believed that our first street painting event would be such a big success. At last year's Community Day, 25 artists toiled away on their chalk masterpieces, bringing bursts of color to our streets and joy to our eyes.

This year's street-painting party promises to bring many more artists to our Village business district and a much larger audience of art-lovers. The TBPA is sponsoring the Street Painting Festival as part of the Tivoli Community Day on June 15, 2002. Local artists and would-be artists

are encouraged to participate. All ages are welcome and group entries are suggested. Chalk will be provided and Broadway will again become a work of art.

Volunteers, as well as participants, will be needed to set up and help coordinate the activities. For more information, to volunteer or to register, contact Linda Murphy 757-4279.

"Calling all local artists and would-be artists to participate in the Street Painting Festival!"

Sweeper/Greeter update

In case you forgot, members of the TB&PA and Mayor Marc Molinaro met on July 31st, 2001, and agreed that all businesses in the General Business District (Pine St to 9G) would voluntarily contribute to a Special TB&PA Broadway

Cleanup Fund used to hire a part-time Sweeper/Greeter who will remove refuse, bottles, litter and trash as well as act as a

"Welcome to Tivoli" Ambassador.

Finally, the individual has been hired to start March 15, 2002. A Press Conference will be scheduled for May, 2002 at

which the contributing businesses will be named and lauded.

If you contributed, thanks and watch your participation start to pay off.
